The Fine Print
INTERMEDIATE:

Intermediate membership is based on a maximum age requirement only (29 years and younger as of September 1st of the current year). Intermediate memberships will be limited to 10 per year.

STUDENTS:

Shannon Lake Golf Club wishes to provide an affordable golf option for students who are not earning a year round income. Student members must be 25 years or younger as of September 1st of the current year. The student must be attending school in the spring and/or planning on attending school in the fall of the current year. Full-times studies are defined by a minimum of 20 hours per week devoted to attending class and/or home study and tuition fees of not less than \$3,000 per year. Part-time students and apprenticeship programs where a student is paid to work while receiving training do not meet the requirements for student membership at Shannon Lake GC. If a student member legitimately changes his/her mind about attending school in the fall, he/she must either... pay the difference between an intermediate pass and a student membership **OR** forfeit the opportunity of receiving a student membership in the future. Student memberships will be limited to 10 per year and will be dealt with on a case by case basis.
