The Fine Print

Shannon Lake Golf Club wishes to provide an affordable golf option for students who are not earning a year round income. Proof of enrollment may be required. In the event of abuse with respect to accessing this lower student rate by falsifying or failing to declare intent not to go to full time studies in the fall semester of the golf season, membership can be cancelled at any time without refund. In the event a student member legitimately changes his or her mind about fall studies at any point during the golf season, he/she is welcome to pay a pro-rated surcharge for the balance of the season based on regular adult rates. Apprenticeship programs where an individual is paid to work do not qualify (regular adult membership available).
