

Local Rules | July 1, 2018

Rules: Golf Canada rules will govern all play, except as modified by these local rules.

Embedded Ball: Through the green a ball embedded in its own pitch-mark in the ground, may be lifted, cleaned and dropped without penalty as near as possible to the spot where it lay, not nearer to the hole.

Waste Bunker on Hole #1: The bunker directly right of the yellow tee box on hole #1 is considered a waste bunker. You may ground your club without penalty.

Out Of Bounds: Defined by boundary fences and white stakes. A ball which crosses a public road (Shannon Lake Road) defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course (Decision 27-20). The parking lot and clubhouse area are out of bounds as defined by white stakes, boundary fence behind #18 green and fence surrounding the maintenance yard.

Obstructions: All staked/flagged trees, **bark mulch**, flowerbeds, yardage markers, irrigation fixtures, stone retaining walls **within the course**, and **artificially surfaced roads and paths**, (including crush gravel paths) are considered immovable obstructions. Proceed under Rule 24-2 (Immovable Obstruction). No relief is given from worn areas not designated as Ground Under Repair. The 150 – Yard Markers may be considered moveable obstructions at the player's discretion. **Stones in bunkers** are considered movable obstructions. Proceed under Rule 24-1 (Movable Obstruction). Free relief **MUST** be taken from flower beds, **bark mulch areas** and staked/flagged trees.

Tunnel: If a ball is hit into the tunnel under Shannon Lake Road while playing #10, you will receive free relief by using the drop area by the #10 green. If the same situation occurs while playing #17, you may use the drop area by the #17 green.

Ground Under Repair: All cultivated flowerbeds and staked/flagged trees are areas from which play is prohibited. Proceed under rule 25-1. All white lined areas are considered ground under repair.

Water Hazards: The area left of Hole #4 & #18 is considered a lateral hazard. The margin of the hazard is defined by red stakes and/or red painted line. To avoid undue delay while playing Hole #4, should a ball played from the teeing ground appear that it may be in the lateral hazard, a second ball may be played provisionally as an additional option under Rule 26-1. The pond beside the 14th green is considered a lateral hazard.
